*The 50th Annual Meeting of the
Society for Philosophy & Psychology*

PURDUE UNIVERSITY

WELCOME

The 50th Annual Meeting of the **Society for Philosophy & Psychology**

We are thrilled to share this year's program! In celebration of 50 years of SPP, we will have a special 50th Anniversary Session featuring Susan Carey, David Chalmers, Alison Gopnik, and Peter Railton, and Invited Symposia on Current Issues in AI and The Psychology of Misinformation. We are also excited to feature a Presidential Talk by Edouard Machery, the Stanton Prize Winner Address by Tobias Gerstenberg, and we congratulate this year's William James Prize Winner, Tal Boger.

We extend our *sincere appreciation* to Şerife Tekin for organizing an incredible line-up of speakers for the Persons, Algorithms, and Mental Disorders Pre-Conference. We also extend our gratitude to the Diversity Committee, the William James Prize Committee, the session chairs, and to all of you who refereed abstracts! The time and effort you put into rigorously evaluating submissions made this year's cutting-edge program possible.

Finally, we thank our generous sponsors at Purdue University.

We wish you all a wonderful 50th SPP!

Presenter Information

Information for Talks (Chairs & Speakers)

Talk Format: Talks are scheduled for 30 minutes; speakers may use up to 25 minutes for talks, and must use at least 5 minutes allotted for Q&A. Talks that are shorter may use the remainder of the 30 minutes for Q&A.

Chairs: It is the responsibility of the Chairs of invited and contributed sessions to strictly enforce the total time allotted to each speaker, without exception. Sessions will follow the order of presentations listed in the program. Chairs will also be responsible for moderating the Q&A. Transition time between talks should happen during the Q&A for the previous talk. No introductions are necessary beyond the speaker's name and talk title.

A/V equipment will be provided for all sessions. Mac users should bring appropriate HDMI adapters. Please bring your own laptop (ipad, etc.) to project your slides.

Information about Posters

Poster presenters should install their posters on the day of your session. We will provide magnetic display boards. **Posters should be 48" by 36", but a maximum size of 60" by 40".**

At least one author should **always** tend to the poster during the session and be available to explain the work. Use the display with the number corresponding to the listing in the program.

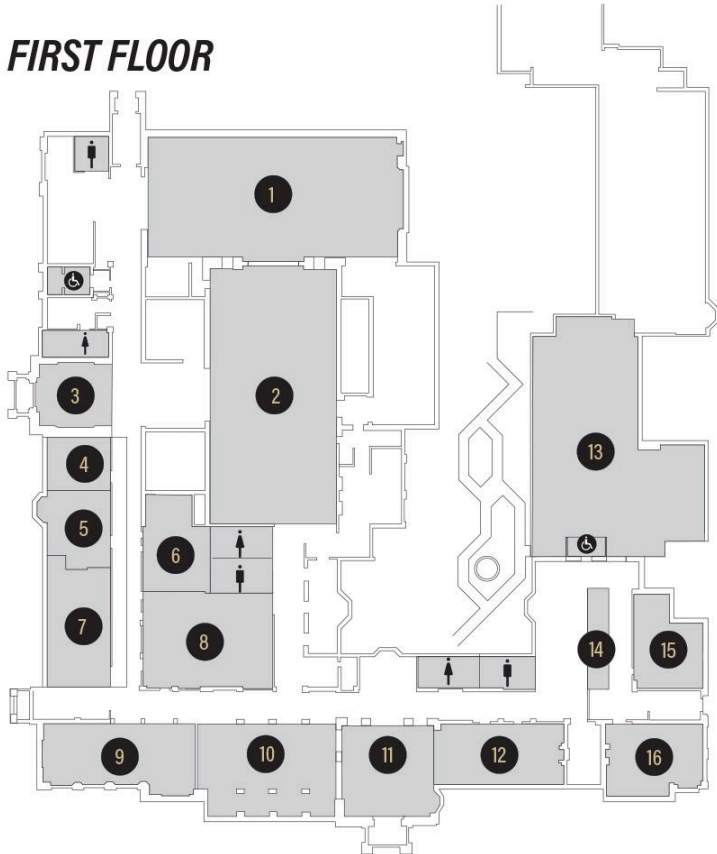

Instructions for voting for the **best poster** will be e-mailed separately at the e-mail address used for registration.

Locations

The conference will take place primarily on the first floor of the [Purdue Memorial Union](#), in the (1) North and (2) South Ballrooms, and the (9) West and (10) East Faculty Lounges. See the program for the schedule.
